Dear Mr. Powell;

It was a pleasure to have you folks visit us, unfortunately we did not have enough time to really get into the "MEAT" of Railroading, past, present and future.

As I indicated I have had a series of massive heart attacks which caused me to resign and retire, I do miss my daily involvement in running our properties, including the Railroad.

It was a compliment to receive your offer to speak which I will be glad to accept, would prefer the evening, please advise date, time and place. My talk would be limited to 30 minutes (thirty minutes) followed by an audience participation discussion period. Subject "Railroads past, present and future.

Sincerely

J. N. Kiefer, Jr.
